Computer Codes and Electronic Engine Management Systems

Automotive Computer Codes & Electronic Engine Management Systems: Fully illustrated manual provides computer-controlled vehicle repair instructions using simple do-it-yourself diagnosis, on-board computer trouble codes and code charts. Covers 1980-95 trucks.

38-0429-F

PART 38-0429-F AUTO COMPUTER CODES 80-95

PRICE \$29.95

OBD-II & Electronic Engine Management Systems: Fully illustrated manual provides computer-controlled car repair instructions for all car and light truck models manufactured since 1996. Learn how to read the codes for a "Check Engine" light and be able to diagnose and fix the problem as well as understand the vehicle's On-Board Diagnostic system. Includes comprehensive computer code lists.

38-0409-F

PART 38-0409-F OBD-II TECHBOOK 1996-ON

PRICE \$29.95

Haynes Manuals

Ford Automatic Transmission Overhaul Manual: In-depth coverage of popular Ford transmissions. The C3, C4, C5, C6 and AOD transmissions are covered with complete overhaul photo sequences. Also covered are the theory of operation, in-vehicle repairs and modifications.

PART	DESCRIPTION	PRICE
42-0507	HAYNES AUTO TRANSMISSION	\$31.95

Haynes Emission Control Manual: A simple, do-it-yourself approach to automotive emissions controls. Basic information, diagnosis and repair for domestic and import models, including computer-controlled vehicles.

PART	DESCRIPTION	PRICE
38-0356-F	HAYNES EMISSION CONTROL	\$29.95

Suspension, Steering & Driveline Manual: Covers troubleshooting, maintenance and repair for most foreign and domestic suspension, steering and driveline systems. Includes rear differential overhaul procedures and modifications for improved handling.

PART	DESCRIPTION	PRICE
38-0352-F	HAYNES SUSP STEERING DRIVE	\$31.95

Diesel Engine Repair Manual: This manual covers maintenance, repair and overhaul on diesel engines.

PART	DESCRIPTION	PRICE
38-0354-F	HAYNES TECHBOOK DIESEL	\$29.95

Body Repair & Painting: A complete photographic guide showing car care and detailing, rust prevention, body repair from minor dents to major structural repair as well as painting.

PART	DESCRIPTION	PRICE
38-0411-F	HAYNES BODY & PAINTING	\$31.95

Heating & Air Conditioning: Covers step-by-step procedures for diagnosis, maintenance and repair of all domestic and import heating and air conditioning systems in use today. 209 pages.

PART	DESCRIPTION	PRICE
38-0410-F	HAYNES HEATING & AIR	\$29.95

Electrical: Covers basic electrical fundamentals, troubleshooting and repair for both domestic and foreign vehicles. It includes engine starting and charging systems, lights, gauges, accessories and more. 241 pages.

PART	DESCRIPTION	PRICE
38-0414-F	HAYNES ELECTRICAL MANUAL	\$31.95

Stacey David's Gearz Project Planning Book

Stacey David's Gearz Project Planning Book is a comprehensive guide to help you plan, budget, document and archive a complete project build from start to finish. This guide will help you stay more organized by planning ahead while keeping you on track and inspiring you to reach your project goals.

Each fill-in-the-blank section allows you to document the specific parts used, part numbers and costs involved. A table of contents breaks down the 22 color-coded sections. The 8 1/2" x 11" wire-bound book has 144 pages with a clear sleeve for receipts and photos.

Stacey David's Gearz Project Planning Book written by Stacey David copyright 2015 Rattle Trap Productions, Inc.

PART	DESCRIPTION	PRICE
38-4680-F	GEARZ PROJECT PLANNING BOOK	\$19.95

I have a picture in my office. It was an aerial photograph taken in the '60s of the farm we lived on in rural Iowa. To be exact, RR1, Anamosa, IA, before every address had a house number and a private line telephone. We had a party line phone with 8 people on it, well, that is a whole letter to itself along with the Sears and Roebuck catalog, that had everything from toys to a house you could buy and build.

It was a thing back then, and still is now, that a plane flies over, takes a picture and then sells it to you. We aren't going to get into the right or wrong of that idea right now. Instead I am going to say I am grateful that day they flew over and my parents somehow had the money to buy that picture.

It hangs in my office alongside the serenity prayer. It is there to remind me of who I am and where I come from. That my mom and dad somehow raised 5 kids in a 2-bedroom house until Uncle Dewayne converted the garage to a bedroom for them in the late '60s. That you can exist without a shower and only a bathtub, that you got three TV stations if the rabbit ears were just right and wrapped in aluminum foil, and the only thing you were allowed to watch were Gunsmoke, Rawhide, and Wild Kingdom. Oh, and can't forget The Andy Williams Show. That Sunday morning was church and then grandma's fried chicken and gravy. My grandmother was younger than I am now. I hadn't really thought about that until I started typing out this letter.

The picture is before my grandfather put the orchard in for them and the feed lot went in. It had to be the early '60s that this picture was taken. Before mom let me put in my own flower beds and I went into the woods and dug up what I wanted to plant and tried to graft or cross-pollinate. Before my mom and I had our first and only big fight over Vietnam. I was a pacifist and plant-loving, earth-loving girl, even back then, who drove her dad's old truck long before I was old enough because the sheriff would just know I was Harold's daughter.

I have been nostalgic lately. I think it is because I turn 69 in January and have outlived my parents and two of my brothers. My parents died young. My dad was only 58, so when you are older than your parents were when they died, your brain can overthink things.

At every level I know I have a great life, with two daughters with beautiful families, and I have been truly blessed. But deep in my heart I am still that young pacifist, plant-loving, earth-loving girl who just wants to garden and drive the old truck. The shorter, colder days were always my time to slow down and think about my next chapter, until COVID, and then it was just hurry and scramble and work. This year I am taking time off work to reflect and make decisions about my last chapter. I want to go into the woods, find the plants that only grow there, and try them in my wildflower garden. I want to drive the '72 Cheyenne into "town" with my grandsons to get ice cream. I will never leave LMC or sell it, but it is time for me to enjoy and spend more time with my grandchildren and daughters. Maybe only work 50 hours a week!

Becky

How to Use this Catalog

Explanation of policies is on pages 75 and 76.

Example: Wiper Blades

Please Note: Product drawings are only representations. Products supplied may vary from illustrations in this catalog.

ALL ITEMS ARE PRICED EACH IN THIS CATALOG.

PART	ILL#	DESCRIPTION	APPLICATION	REQD	PRICE
36-4012-F	(1)	WIPER BLADE-FRONT	EXPLORER 02-05	(2)	\$6.45

Listing Explanation:

PART: The part number you order, i.e. **#36-4012-F**.

ILL #: Illustration reference number, i.e. (1) is the Wiper Blade.

DESCRIPTION: Name of part, i.e. Wiper Blade.

APPLICATION: Model and year part fits, i.e. Explorer 2002-05.

REQD: Quantity of the part required for one truck, i.e. two (2) Wiper Blades are required for one truck.

PRICE: The low price you pay for one part, i.e. Wiper Blade is \$6.45, making your total net cost \$12.90 + Delivery & Handling for two Wiper Blades required for one truck.

Part Number Definitions

- T** After a part number means that part must be shipped Truck Freight. The prepaid order will include a \$150.00 charge for delivery in the 48 contiguous United States. Orders outside of the 48 states will be quoted. Additional delivery time required.
- R** Remanufactured Part - No core charge.

* Or ** after the sell price means your order will incur an Oversize Part Charge for each oversized part. * Means extra charge will be \$20. ** Means extra charge will be \$50. Due to packing and/or transportation requirements, please allow additional time for delivery. Oversized Parts are not available for air delivery.

Vehicle Identification Number

Explorer 1991-94

Where to Find Your Vehicle Identification Number (VIN)

For the 1991-94 Explorer the VIN plate is visible through the driver's side of the windshield.

Vehicle Identification Number - 1FMDU34X1MUB04683

	1	F	M	D	U	34	X	1	M	U	B04683
Nation of Origin											
1 = USA 2 = Canada											
Manufacturer											
F = Ford Motor Company											
Type of Vehicle											
M = Multipurpose Vehicle											
Brakes/Gross Vehicle Weight*											
B or U = 3,001-4,000 lbs											
C or Y = 4,001-5,000 lbs											
D or Z = 5,001-6,000 lbs											
*Due to varying options available											
GVWR code was changed for											
certain model years.											
Model Line											
U = Explorer											
Chassis & Body Type											
22 = 2 Door 4x2											
24 = 2 Door 4x4											
32 = 4 Door 4x2											
34 = 4 Door 4x4											
Engine Type											
X = 4.0 Liter 242 CID V6											
Check Digit											
(Internal Usage)											
Model Year											
M = 1991											
N = 1992											
P = 1993											
R = 1994											
Assembly Plant											
U = Louisville, Kentucky											
Z = St. Louis, Missouri											
Numerical Sequence of Assembly											
Constant "A" until sequence number of 99,999 is reached, then											
changes to constant "B" and so on.

Explorer Key Information

1991: The 1991 Explorer replaced the Bronco II as the Ford midsize SUV. The front end was similar to the Ranger STX. The vehicle came in two or four doors and was larger than the Bronco II. Trim lines included the XL, XLT and the Eddie Bauer Edition. The only engine available was the 4.0 Liter V6. The Explorer offered optional 4WD or automatic overdrive transmission. A Twin I-Beam front suspension was standard on 2WD models and the Twin Traction front axle came with 4WD models.

1992: The Explorer had proven to become the best selling SUV in the U.S. giving Ford no reason to make any changes this year.

1993: In 1993 a fully loaded Limited Edition was offered along with the original XL, XLT and Eddie Bauer trim levels. Four wheel ABS became standard on all Explorers.

1994: With the continued success as being the most popular SUV in the U.S. there were no reasons to make any significant changes this year.

Steel Body Panels and What to Expect

All sheet metal is inspected before it is shipped and careful steps are taken to package parts so there is no damage during shipping. Due to the nature of the product, sheet metal is easily damaged and scratches, dents, dings and other imperfections are normal and not considered damaged. These kinds of imperfections should be expected and can be easily fixed during installation and the paint preparation, sanding and priming stages of your restoration. It is recommended you inspect all sheet metal that is delivered before the delivery driver leaves. Test fitting of all panels before installation is recommended and the use of alignment shims and other adjustments during the install may be required.

-T after a part number means that part must be shipped Truck Freight. An additional \$150.00 will be charged to your order for delivery in the 48 contiguous United States. Orders outside of the 48 states will be quoted. Additional delivery time required.

* Or ** after the sell price means your order will incur an Oversize Part Charge for each oversized part. * Means extra charge will be \$20. ** Means extra charge will be \$50. Due to packing and/or transportation requirements, please allow additional time for delivery. Oversized Parts are not available for air delivery.

Paintucation Kevin Tetz Paintucation DVDs

Paintucation DVD Set: Contains all five Paintucation DVDs to help you repair and restore your vehicle's body from start to finish.

PART	DESCRIPTION	PRICE
38-0448-F	PAINTUCATION DVD SET	\$179.95

Paint Your Own Truck: Instruction on proper paint gun techniques, panel alignment secrets, surface rust removal and application tips for fillers, primers and paints. Learn how to apply two-tone paint jobs, demonstrated in simple steps with detailed masking tips and tricks that yield professional results. 240 minutes

PART	DESCRIPTION	PRICE
38-0449-F	DVD PAINT YOUR OWN TRUCK	\$35.95

Body Shop Basics: Provides fundamental information about basic tool selection, simple dent repair, blending colors, gun technique, proper safety techniques and surface defect repair. 90 minutes

PART	DESCRIPTION	PRICE
38-0347-F	DVD-BODY SHOP BASICS	\$35.95

Body Panel Replacement: Includes five different panel replacement projects covering welding sheet metal, gapping panels, "old school" leading, door skinning, partial panels, full quarter panel replacement, new sheet metal fitment, metal finishing and the latest panel adhesive. Double-sided DVD. 150 minutes

PART	DESCRIPTION	PRICE
38-0346-F	DVD-BODY PANEL REPLACEMENT	\$35.95

Color Sanding & Buffing: Explains what to do after the paint is dry and shows the difference between a "show" finish and a daily driver finish. Run repair techniques are shown in detail, as well as reviving old paint. Shows updated techniques using state-of-the-art compounds and pneumatic sanding systems designed to take the labor out of achieving a show-quality paint finish. 65 minutes

PART	DESCRIPTION	PRICE
38-0349-F	DVD-COLOR SANDING&BUFFING	\$29.45

Metal Prep & Rust Repair: Demonstrates stripping metal with chemicals and sanders and illustrates fixing a rust patch from start to finish. Metal finishing and body filler techniques are shown, as well as surface rust removal, conversion and primer application. 75 minutes

PART	DESCRIPTION	PRICE
38-0348-F	DVD-METAL PREP&RUST REPAIR	\$29.45

Deluxe Polishing Kit

Deluxe Polishing Kit can be used on aluminum, brass, copper, iron, steel, stainless steel and chrome, wood or even plastic. Kit includes: six 4-ounce bars of assorted polishing compounds, 12 assorted buffing wheels with 1/4" diameter shank to allow use with any standard electric drill and instructions with color-coded chart.

PART	DESCRIPTION	REQD	PRICE
38-1232-F	DELUXE POLISHING KIT	(1)	\$49.95

Steel Hood Scoops

PART	DESCRIPTION	PRICE
38-7774-F	HOOD SCOOP-STEEL 2" RISE	\$185.95*
38-7775	HOOD SCOOP-STEEL 4" RISE	\$149.95*

* Or ** after the sell price means your order will incur an Oversize Part Charge for each oversized part. * Means extra charge will be \$20. ** Means extra charge will be \$50. Due to packing and/or transportation requirements, please allow additional time for delivery. Oversized Parts are not available for air delivery.

These 2" and 4" Universal Fit Hood Scoops are stamped from 18-gauge steel and coated with an Electro Deposit Primer (EDP) for a smooth surface. Installation will require cutting and forming the scoop to match the length and curvature of your truck's hood. Welding and body work will be required prior to painting.

Custom Flexible Chrome Trim ... Design it – Cut it – Install it

Add design accents and trim on your vehicle in traditional patterns or create a unique custom look with Flexible Universal Chrome Trim. Available in four widths, any combination of the kits can be used to achieve a desired look. Chrome ABS Trim is scratch-resistant, UV coated with a bright chrome finish and easily cuts with sharp scissors and features 3M™ adhesive peel-off backing. Pattern material is included for design and fitment of the flexible chrome laminate. Use provided sandpaper to clean up any edges or corners. Always double-check all measurements of materials needed for your design for your vehicle against available sizes of kits.

38-1956-F	CHROME LIGHTED LICENSE FRAME	\$32.95

Flexy-Flares™ ... To Cover Those Wide Tires

Flexy-Flares™ provide protection from mud, dirt, gravel and salt and are a necessity in many states where wide tires must be covered by a fender. Constructed from EDPM synthetic rubber, they won't crack, peel or droop in extreme temperatures. These heavy-duty flares use a wire insert on outer edge for extra strength and added rigidity, and the built-in curvature allows the flare to fit the fenderwell without wrinkles or buckling. Flexy-Flares™ extend your fenders 3" and come with hardware packs for easy installation. **Set of 4.**

Door Window Glass Holder

Door Window Glass Holder supports the glass while you work on the window regulator. It works on all trucks with a top door frame. Simply loop cable over door frame and attach suction cups to each side of glass. The glass is then securely held above the door while your work is performed.

POR-15 Restoration Products

POR-15 is a high-performance rust preventative black paint designed to extend the life of new and rusted metal surfaces. It dries to a rock-hard, non-porous finish that will not rust, chip, crack or peel.

Dries in 2 to 5 hours; body fillers and paint can be applied over POR-15. For maximum effectiveness, degrease metal surfaces with Cleaner Degreaser, then prime with Metal-Prep.

Approximate product coverage:
1 pint = 48 sq. ft.; 1 quart = 96 sq. ft.

Dry Time Accelerator reduces the cure time of POR-15 by 30-50% without affecting the final physical properties of the paint. One 8 ounce bottle treats 64 pints or 32 quarts of POR-15.

PART	DESCRIPTION	PRICE
37-8411-F	POR-15 SEMI-GLOSS-1 PINT	\$43.95
37-8412-F	POR-15 SEMI-GLOSS-1 QUART	\$66.95
37-8408-F	POR-15 GLOSS-1 PINT	\$41.88
37-8409-F	POR-15 GLOSS-1 QUART	\$63.89
37-8418-F	DRY TIME ACCELERATOR	\$34.05

High Temp Paint is an extreme temperature finish that maintains color without burning off or discoloring on manifolds and headers. Withstands high temperatures up to 1,200°F and resists cracking, chipping and peeling. It is weather-, salt- and moisture-resistant. Available in gray or aluminum color; can be brushed or sprayed on. Recommend sandblasting for optimal surface preparation.

Approximate coverage: 8 oz. covers a set of big block V8 headers with two coats.

PART	DESCRIPTION	PRICE
37-8484-F	HIGH TEMP PAINT-GRAY 8 OZ	\$25.51
37-8485-F	HIGH TEMP PAINT-ALUM 8 OZ	\$25.51

Metal-Prep provides adhesion for POR-15 on any metal surface. Gently etches metal, neutralizes rust and creates an ideal anchor for coatings such as POR-15, while leaving a zinc phosphate finish to ensure chemical bonding of paint and steel. Metal-Prep must be used on galvanized metal, aluminum, stainless steel and smooth, polished or new metal surfaces prior to applying POR-15. Metal-Prep is water-based so it is not caustic, corrosive, toxic or flammable.

PART	DESCRIPTION	PRICE
37-8415-F	METAL-PREP 1 QUART	\$22.14
37-8416-F	METAL-PREP 1 GALLON	\$44.74

Cleaner Degreaser cleans and degreases in one application without messy residues, noxious fumes or flammable solvents. Removes grease, oil, mildew, algae, musty odors, soap films and wax from canvas, vinyl, plastics, nylon, wood, fiberglass and all metal surfaces.

Cleaner Degreaser should be used as a surface prep prior to using Metal-Prep and POR-15.

PART	DESCRIPTION	PRICE
37-8413-F	CLEANER DEGREASER 1 QUART	\$14.67
37-8414-F	CLEANER DEGREASER 1 GALLON	\$29.95

POR-15 Self Etch Primer is a quick drying and easy-to-apply coating which enables a restorer to quickly topcoat POR-15 Rust Preventive Coating and other basecoats. You can even topcoat POR-15 that's been in place for months or years. This Self Etch Primer is NOT a high-build primer, it can be sprayed on almost any painted surface and can be top coated in 15 - 30 minutes. It bonds incredibly well to POR-15 Rust Preventive Coating, and all topcoats bond incredibly well to POR-15 Self Etch Primer. It can be sanded lightly, and, if desired, multiple coats may be applied.

PART	DESCRIPTION	PRICE
37-8401-F	SELF ETCH PRIMER-GRAY	\$39.15

37-8402-F

37-8403-F

37-8404-F

PART	DESCRIPTION	PRICE
37-8402-F	TOP COAT-CLEAR	\$28.39
37-8403-F	TOP COAT-GLOSS BLACK	\$28.39
37-8404-F	TOP COAT-CHASSIS BLACK	\$28.39

POR-15 Top Coat can be applied directly to a clean prepped metal surface, but when used as a top coat over POR-15 Rust Preventive Coating it provides the toughest, most permanent protection against rust and corrosion. It has exceptional long-term gloss and color retention when exposed to sunlight and the elements, non-porous, extremely scratch and chip resistant, won't crack, peel or chip. Can be applied directly to metal substrates, with no need for a primer or undercoat, and is formulated to form a robust barrier that sheds moisture.

Chassis Black has a semi-gloss appearance. For maximum durability Chassis Black should be clear coated.

Bed Liner is a water-based, rubberized coating ideal for protecting truck beds, and all other metal, aluminum, fiberglass and wood surfaces exposed to impacts and scuffs. It is UV stable and offers superior adhesion, impact resistance and flexibility. Features a textured semi-gloss black finish for good looks. Prior to application, surfaces should be degreased with Cleaner Degreaser and metal surfaces should be treated with Metal-Prep. Bed Liner can be applied over POR-15.

Shortbed trucks - 1 gallon for two coats on bed floor, sides and tailgate. Longbed trucks need an additional quart.

Approximate product coverage:
1 quart = 25-30 sq. ft.; 1 gallon = 100-120 sq. ft.

PART	DESCRIPTION	PRICE
37-8480-F	BED LINER 1 QUART	\$37.94
37-8481-F	BED LINER 1 GALLON	\$142.96

Fuel Tank Sealer coats the inside of your tank to stop rust and seal pinholes and weld seams. It's a non-porous, flexible film that is resistant to all fuels, alcohols and fuel additives. This environmentally safe sealer does not contain the harmful chemical Methyl Ethyl Ketone (MEK) and is non-flammable. Cleaner Degreaser and Metal-Prep must be used to prep fuel tank prior to using fuel tank sealer.

Approximate product coverage:
1 pint = to 12.5 gal tank; 1 quart = to 25 gal tank

PART	DESCRIPTION	PRICE
37-8488-F	FUEL TANK SEALER 1 PINT	\$31.44
37-8489-F	FUEL TANK SEALER 1 QUART	\$54.60

POR-15 Stop Rust Kit is designed to stop and/or prevent rust on metal surfaces and ensures the best results when applying POR-15 Rust Preventive Coating. The kit contains everything you need for the 3-step process, 8 ounce bottle of POR-15 Cleaner Degreaser, 8 ounce bottle of POR-15 Metal-Prep, 4 ounce can of POR-15 Gloss Black, two paint brushes, 1 pair of latex gloves, and detailed instructions and tips. The kit is ideal for small projects such as sub-frames, axle replacements, control arms, brake shields and much more! There is enough material in this kit to cover a 6 sq. ft. area with two coats.

PART	DESCRIPTION	PRICE
37-8405-F	STOP RUST KIT	\$27.84

7-Piece Plastic Pry Bar Set

LMC Truck Cover ... Who Knew Protecting Your Vehicle's Finish Could Be So Inexpensive!

LMC universal fit truck covers provide protection from the elements and are not affected by temperature extremes. In summer a cover keeps the interior cooler and helps protect from the sun's damaging rays, which can cause fading and deterioration. In winter it can keep the snow and ice off your glass and finish.

Fabric will not stretch, shrink, rot or mildew. Elastic is sewn in front and rear hems to ensure snug fit. Call or go online and order your truck cover today.

Antenna must be removed or an antenna grommet attached to your cover before use. See below for more information on antenna grommet.

LMC 1000 **\$49.95** each
GOOD

For Moderate Weather Conditions

Durable synthetic fabric has the look and feel of more expensive covers. Water resistant, yet breathable and features double-stitched seams for maximum strength.

Ford SUV

Reproduction Stainless Steel Door Mirror

1991-94 Explorer

Hardware Included

While these can be used to replace original style mirrors on models equipped with factory internal door mirror braces, these are reproduction mirrors, not direct OE replacements; therefore, mounting locations may vary slightly from OE. Use the bolt pattern chart shown to ensure proper fit prior to ordering.

PART	DESCRIPTION	APPLICATION	REQD	PRICE
49-6620	DOOR MIRROR-LH STAINLESS STEEL	5" X 8" 91-94	(1)	\$38.45
49-6621	DOOR MIRROR-RH STAINLESS STEEL	5" X 8" 91-94	(1)	\$38.45
49-6623	DOOR MIRROR-RH CONVEX STAINLESS	5" X 8" 91-94	(1)	\$39.95

Reproduction Black Door Mirror

PART	DESCRIPTION	APPLICATION	REQD	PRICE
40-2542	CHROME DASH KNOB "A"	91-94	(AR)	\$9.95

Note: "A" Will replace original 1991-94 square black knobs.

White Face Gauge Overlays

White Face Gauge Overlays are computer printed on vinyl and pre-cut for a precise fit. They install easily over stock gauge faces without removing the gauge needles (except clock) and use the stock gauge lighting. No worries of broken needles or need for recalibrating gauges. Overlays will not wrinkle or bubble in hot or cold temperatures and can be removed with direct heat. Installation instructions included.

8" Powered Subwoofer

**1-Year
Warranty**

This 8-inch powered subwoofer is housed in a rigid die-cast aluminum chassis for better heat dissipation and powered by a built-in 100-watt amplifier with 200 watts max output. Has frequency response of 35-100Hz and total harmonic distortion of 0.08%.

Features include a fully adjustable crossover network between 50-100Hz, independent gain (volume) and 0 or 180-degree phase control. Subwoofer can be connected to radio with low level input RCA connectors or wired directly to radio through the high level input using supplied wiring harness. Includes mounting brackets, wiring harness and wired remote bass control. Compact 9" x 2.75" x 13.75" size weighing 9 lbs.

Look New Again ... The Easy Way!

Now You Can Be Sure All Your Interior Colors Match

ColorBond permanently changes the color of your interior. Sprays on and dries to the touch in 45 seconds, forming a complete bond in 10 minutes. Original grain pattern is never altered or hidden, no matter how many times ColorBond is applied. Will not crack, flake, peel or rub off from solid or flexible materials because the color becomes part of the surface.

\$20.95
each

ColorBond can be used on:

- Vinyl
- Leather
- ABS Plastic
- PVC
- Polyurethane
- Polycarbonate
- Lexan
- Acrylic
- Recycled Plastics
- Carpet
- Cloth Upholstery

ColorBond is a semi-gloss finish that is OEM approved, UV stable and colorfast. Each 12 ounce can will cover 7 square feet. ColorBond Prep/Cleaner should be used prior to applying ColorBond.

ColorBond Exterior Trim Paint has all the innovative features of ColorBond Interior Paint but is specially formulated to provide a stronger, more durable bond for exterior trim use. Exterior Trim Paint delivers a superior finish to exterior trim plastics and painted metal trim including: bumpers, mirrors, fender flares, wiper arms and window trim. Each 12 ounce can covers 6 square feet. Use ColorBond Adhesion Promoter #37-8395-F prior to application for a long-lasting finish.

Spitshine Tire Black ... Bring Back the Shine

Before

After

37-8370-F
\$21.45

ColorBond Spitshine Tire Black is a specially formulated paint, not a clear silicone dressing, designed to restore a military shine to faded and scuffed tires for a minimum of two months. Spitshine is not greasy or tacky, so it won't attract unsightly dirt and dust. Each 12 ounce can is easy to apply; first, clean tires of any existing dressings, silicones and dirt with ColorBond Prep/Cleaner. Mask the wheel or rim and apply in light coats. Reapply Spitshine Tire Black if tires become scuffed.

Not for use on tires with white lettering or sidewalls.

Foam Steering Wheels ... For a Comfortable Grip

These steering wheels with a 3-dimensional, hi-tech, dual plane, silver or black 4 spoke design offer a world-class look. Rim is covered with a specially formulated black foam for a comfortable grip. Wheel measures 13-1/2" in diameter with a 3" dish.

A Steering Wheel Installation Kit must be used to install Steering Wheels.

Floor Liners ... Tough and Durable Protection for Your Truck

Front Floor Liners

Floor Liners protect your truck's carpet from water, snow, mud and most chemicals. Molded for an exact fit from a patented rubberized thermo-plastic material, guaranteed not to crack or break. Raised outer rim traps up to 2 gallons of liquid. Driver's side mat is equipped with an extra thick heel pad to offer heel protection and guard against wear in this high use area. Floor mats conform to the shape of your vehicle's floor and have an anti-slip back. Cleanup is easy, just wipe up small areas with a cloth or remove the mat and hose it off.

Sound Control Mat

Sound Control Mat reduces noise, vibration and heat created from the engine, road and structure of your vehicle. Can be applied to any interior surface area; cover as little as 25% of an area for a noticeable reduction. Each 2mm thick sheet consists of butyl rubber with a top layer of heat resistant aluminum that is easy to cut and conform to contoured surfaces, just peel and stick. Available in silver and black, each sheet measures 21" x 29".

PART	DESCRIPTION	APPLICATION	PRICE
1 Sheet

Permatex Weatherstrip Adhesive is a flexible, water-resistant black adhesive for bonding rubber and metal surfaces. Withstands extreme temperatures and resistant to gasoline, antifreeze and most solvents.

PART	DESCRIPTION	PRICE
42-0759	5 OZ TUBE	\$8.75

Loctite Dielectric Grease extends the life of electrical components by protecting them from moisture, salt and corrosion. Also prevents spark plugs from fusing to boots. Use on fuses, battery terminals, ignition components and other electrical connections.

PART	DESCRIPTION	PRICE
38-0770-F	.33 OZ TUBE	\$4.45

Permatex's Thread Sealant with PTFE (a thermoplastic polymer) is an economical general-purpose fitting sealant. It outperforms traditional tapes and pipe dopes while it seals and resists pressure in air, oil, diesel fuel and hydraulic systems. Thread Sealant remains pliable at higher and lower temperatures.

PART	DESCRIPTION	PRICE
42-0733	4 OZ JAR	\$7.95

Vinyl Edge Sealer Pen is an ultraviolet light-blocking, fast-drying, clear acrylic sealer that protects the edges of vinyl decals, graphics and the ends of adhesive chrome body moldings. It features a wedge applicator tip for a smooth, even application.

PART	DESCRIPTION	PRICE
38-0921-F	.3 OZ PEN	\$12.95

3M™ Adhesive Tape is a high performance, double-sided tape for all types of

accessories, both interior and exterior. The tape's foam core allows it to expand and contract with temperature changes and to conform to surface irregularities and gaps. Includes three 1" x 12" strips.

PART	DESCRIPTION	PRICE
38-0788-F	3M TAPE	\$8.95

Strip Caulk is a non-hardening, non-shrinking waterproof black caulking material with great adhesion

properties and is temperature resistant from -400°F to +500°F. Perfect for sealing around hoses, tubing, wiring or any other hole, joint, seam, void or gap to prevent fumes, moisture or noise penetration. Easy to apply and can be painted immediately. Contains twelve 1/4" x 12" strips.

PART	DESCRIPTION	PRICE
38-0779-F	STRIP CAULK	\$5.75

Penetrating Graphite Powder is an extra fine graphite powder that is odorless dry powder lubricant, used to guard against sticking, wear, and corrosion. Keeps brake cables, speedometer cables, control cables, hinges, locks and other metal applications working smoothly. Helps prevent corrosion and rust.

PART	DESCRIPTION	PRICE
42-0734	.21 OZ TUBE	\$3.95

Seam Sealer provides superior adhesion and flexibility without cracking or peeling. Its self-leveling qualities make it an excellent sealer on cowl, floor, doors and wheel house seams. Skin time is 1-2 minutes and can be painted in 30-60 minutes. Applies with a standard caulking gun.

PART	DESCRIPTION	PRICE
38-0781-F	11 OZ TUBE	\$16.45

Electronic Musical Horn

Plays 46 Sounds

Electronic Musical Horn plugs into a cigarette lighter or power point to play sound three times and stop automatically or can be used as a loudspeaker with included microphone. Auxiliary input allows you to play music from your MP3 player or iPod. Command module is 7" high and mounts using included adhesive backed hook and loop patches. No drilling is required.

Adjustable rotary on/off volume control allows for easy sound level control, five bright LED lights on control module instantly indicate system mode and a 4" diameter weatherproof horn mounts under the hood. For 12 volt negative ground systems.

Wheel Bearing Grease Packer

Wheel Bearing Grease Packer quickly flushes out old grease and repacks the bearings with less the mess. The Wheel Bearing Grease Packer works on bearings up to 3 1/2" outer diameter. The grease stays in the tool cavity, not on your hands. To pack a bearing, simply place the bearing on the piston, press down on the cap until the old grease is forced out and the new grease shows on top of the bearing.

Header Wrap

Increase performance by keeping hot exhaust gasses inside the headers for maximum velocity, improved exhaust scavenging and protecting sensitive engine components from high temperatures.

Header Wrap is able to withstand temperatures up to 1,200°F and is made from vermiculite-coated, textured fiberglass yarn woven into a strong, flexible wrap that can easily be cut with scissors.

Available in 25 or 50-foot rolls of 1" or 2" widths. Two 50-foot rolls of 2" wide are generally enough to wrap standard V8 headers. Stainless steel locking cable ties keep the wrap securely in place. Header Wrap can void warranty of some headers. Check header manufacturer's warranty before installing.

Headers with tight bends should use 1" wide wrap for coverage. Overlap wrap 1/4" for optimum heat dissipation.

PART	DESCRIPTION	APPLICATION	PRICE
36-6181-F	HEADER WRAP	1" X 25'	\$10.95

Harmonic Balancer Puller / Installer

1991-05 Explorer

Harmonic Balancer Puller

Removes harmonic balancer from engine without risk of damage. Four-slot, heavy-duty yoke handles any pulling job. Extra-long center screw is machined for use with included adaptor tip that centers puller on crankshaft for quick and damage-free removal. Includes five sets of hardened, flange-head bolts in standard and metric thread sizes for most engines. Order today!

PART	DESCRIPTION	REQD	PRICE
38-1222-F	HARMONIC BALANCER PULLER	(1)	\$24.95

Harmonic Balancer Installer

Threaded forcing screw uses a bearing to easily slide harmonic balancer into place. Includes five standard and seven metric threaded adaptors for use on a wide range of engines.

PART	DESCRIPTION	REQD	PRICE

EZ Oil Drain Valve

EZ Oil Drain Valve allows quick oil changes with little to no mess. Compact design has no lever to catch on obstacles. Adaptors are not required and easily installs with socket or wrench. Aluminum crush washer (included) ensures tight, leak-free seal.

Simple operation; push in cap, twist to the right and drain. Once drained, push in and twist to left to close. Spring-tensioned, double o-ring seal guarantees a long, leak-free life.

Turbo Mufflers

Turbo Mufflers are specially designed to reduce and control noise without excessively restricting power. They are made from the finest quality materials and can be used as OE replacements as well as on custom exhaust systems.

Turbo Mufflers have a galvanized, double wrapped muffler casing for maximum rust protection. Louvered baffles eliminate vibration and spun end caps provide a gas tight seal. Reverse flow design allows muffler to be inverted.

Electric Cooling Fan Kit Keeps Your Engine Cool

Part #	Size	Motor	CFM	Amp Draw
50-4766	14-1/2"W X 14"T X 3.82"D	160 watt	1560	13

Electric Cooling Fan and high-performance motor give maximum air delivery while working off the electrical system. Fan blade and shroud are constructed of glass-filled nylon for strength and durability; includes mounting hardware as well as easy-to-follow instructions.

Fan Mounting Bracket Kit is recommended for optimum mounting strength and performance on all electric cooling fans.

#38-4894-F Adjustable Thermostat, sold separately, operates fan only when needed. Adjustable Thermostat is adjustable from 150°-240°F.

Quick Re-Installation Kit contains everything needed to reinstall cooling fan if removed.

Remote Starter Switch

Remote Starter Switch allows you to start or crank your engine without help. Ideal for conducting compression tests or bumping engine to top dead center for valve, distributor or camshaft adjustment. 36" long leads have alligator clips with insulated boots and feature a push button style switch and grip.

PART	DESCRIPTION	PRICE
38-1278-F	REMOTE STARTER SWITCH	\$12.95

Replacement Battery Cables

All battery cables have a copper core that extends to the end of the plated lug to give a one-piece solid connection. Terminal protectors help prevent power-robbing corrosion build-up that inhibits cranking power.

Part numbers ending in -RD are red cables.
Part numbers ending in -BL are black cables.

Battery Post and Terminal Cleaner

Dual function tool – top brush cleans battery terminals and bottom brush cleans battery posts.

PART	DESCRIPTION	PRICE
38-1366-F	POST & TERMINAL CLEANER	\$5.95

Wire Terminal Extractor Tools

This Wire Terminal Tool Kit is designed to release and extract wires from terminals without damage. The single blades have a bevel ground onto the end for working on small terminals found on newer vehicles. Red is specially designed for Pak-Con and WeatherPak terminals. Silver has prongs to depress the 'barbs' on conventional terminals. The handle slips over the probes to protect your hand as well as provide extra leverage. This complete kit comes in a sturdy blow-molded case for protection and long life and is a must-have for any do-it-yourselfer's toolbox.

PART	DESCRIPTION	PRICE
42-1399	WIRE TERMINAL TOOL KIT	\$53.95

Battery Tray Components

1991-05 Explorer

Battery Mat is made from polypropylene needle punch felt which traps and neutralizes battery acid. The Battery Mat is safe to handle and takes only minutes to install.

Battery Tap Accessory Circuit Kit

Battery Tap is an easy and reliable way to make direct connections at the battery with up to three new additional circuits. Designed to fit positive and/or negative battery terminals. Kit contains one tap and three crimp connectors. The Battery Tap can be stacked to provide additional connection points or can be attached to vehicle frame for additional grounding points.

PART	DESCRIPTION	PRICE
36-0847-F	BATTERY TAP KIT-TOP POST	\$5.95

Battery Disconnect Switches

Battery Disconnect Switches are easy to install and stop battery drain and reduce the risk of fire while your vehicle is parked. With key or knob style disconnects, the key or knob can be totally removed as an additional deterrent against vehicle theft. A 15-amp Bypass Fuse is available to maintain memory on your radio, clock, etc., while your battery is disconnected.

Split Braid Flex Loom and Wire Loom Installation Tool

36-2600-F

Unique black flexible braided construction features a 25% edge overlap that will allow for the sharpest of bends without distorting or splitting open. Lateral split design of the flex loom allows for easy installation of multiple wires. Self-wrapping feature ensures the flex loom will return to its original size and shape without the need to use fasteners or tape. Protect your vehicle's wiring, cables, hoses and tubing from unnecessary wear while adding a clean look. Available in three sizes: 1/4", 1/2" or 3/4" diameter.

Wire Loom Installation Tool makes feeding wires into split wire looms a snap. Insert the wiring into the channel of the tool, rotate the handle to lock wiring in place and insert the loom separator into the split loom. Gently pull the tool through the loom while holding onto the wires. Available in three convenient sizes.

36-2597-F

Heated Windshield Washer Kit

Heat your washer fluid to a temperature of 125-135°F for quick, effortless removal of frost, snow and ice this winter. Provides improved visibility for all driving conditions, while extending the service life of your windshield wipers by minimizing unnecessary wear. Ensures clog-free wiper spray nozzles for consistent spray pattern. Can also be used year-round to remove bird droppings, bugs, grime, road film and streaks.

Installs inline between windshield washer reservoir and spray nozzles. Connects directly to your battery with the included ground cable and fused power cable. Order yours today and see what a difference the Heated Windshield Washer Kit can make! Kit includes mounting bracket, hardware and instructions.

LED Bulbs

LED bulbs have no filament, making them less sensitive to vibrations, and illuminate 140 times faster while lasting up to 20,000 hours, much longer than conventional incandescent bulbs. They emit less heat and use only 15% of the energy required by incandescent bulbs, reducing the load placed on a vehicle's electrical system.

36-3592-F	REPLACEMENT RELAY-LOW/HIGH		(2)	\$4.45

Superwhite Bulb Set Produces 30% More Light

Superwhite headlight bulbs produce 30% more light while retaining the street legal wattage. Superwhite bulbs use a proprietary mixture of premium gases that includes Xenon, which cools the light filament, improving the efficiency and light output of the bulb, unlike standard halogen bulbs which use less efficient argon gas.

Superwhite bulbs operate in the Kelvin color temperature range of 4000-4200K, producing a brighter, white light. Traditional halogen bulbs operate at 2600-3000K, emitting a more yellowish appearance. Sold in sets of two. Call or go online and order yours today!

PART	DESCRIPTION	APPLICATION	REQD	PRICE
47-0291	SUPERWHITE BULB SET	HEADLIGHT 91-94	(1)	\$19.95
36-0298-F	SUPERWHITE BULB SET	HEADLIGHT 95-01	(1)	\$15.95

Electronic Flasher ... For LED Lights

An Electronic Flasher is recommended when upgrading to LED bulbs or light assemblies. Due to the lower current draw of LED lighting, the factory flasher may cause inconsistent flash rates, no flash or indicate that a bulb is out.

PART	DESCRIPTION	APPLICATION	REQD	PRICE
36-0356-F	ELECTRONIC FLASHER	91-94	(1)	\$12.45

Headlight and Components

1991-94 Explorer

For added style, replace the white halogen bulb with a halogen blue-coated bulb #47-0253. The blue-coated bulb creates an intense white light which is popular in today's new cars and trucks. Get the cool look of HID (high intensity discharge) lighting without the high price; call or go online and order yours today.

Underhood Lamp

42-5503

Installation Tip: Since all hoods and mounting locations are different, a slight adjustment to mounting bracket may be needed to assure light goes out when hood is closed. After mounting bracket and wires have been installed, apply pressure to the mounting bracket to change the angle as needed for proper operation.

Underhood Lamp adapts to any 12 volt truck and helps illuminate the engine bay. No need for wiring into a switch, bulb socket base is gravity activated; lamp comes on when hood is raised and goes out when hood is lowered. Mount underneath hood and connect lamp wire to any constant 12 volt source. Moisture proof in-line fuse is integrated into the wire for protection.

Retail Delivery Fee Notice

Some states are starting to pass legislation requiring us to collect a Retail Delivery Fee on shipments. Check with your state's department of revenue for more information.

For those customers living in states that require this, the extra fee will be added to each purchase that is taxable under the state code.

What You Need to Know Before Ordering:

We are excited that you've decided to make us a part of your journey! Whether you are rebuilding from the ground up or just adding some distinctive touches to your vehicle, we are proud to give you a hand.

In addition, we'd love to see what you've been up to with your projects, so please log on to lmctrucklife.com and share your stories and pictures.

Understand that we are not trained automotive technicians. We want you to consult with mechanics regarding technical advice. Technical information is also included in the workshop manuals shown in this catalog. Please take the time to consult these resources if you feel you need to.

On those occasions that we've run out of a part on your order, chances are that it's already on its way to us. These items are listed as backordered on your invoice and will be sent your way as soon as possible. If you're not interested in waiting for your backordered product, just call our customer service line at (800) 222-5664, and we will cancel it and refund any money that has been paid.

You can also write "No Backorders" on your order form before you send it to us, and we'll make sure only to ship the products we currently have in stock.

Some parts have extra charges. Please consult below to make sure you understand these charges and so you aren't surprised later.

Part Number Definitions

- T - After a part number means that part must be shipped Truck Freight. An additional \$150.00 will be charged to your order for delivery in the 48 contiguous United States. Orders outside of the 48 states will be quoted. Additional delivery time required.
- * - After the sell price means Oversize Part Charge. Your order will incur a charge of \$20.00 for each oversized part. Due to packing and/or transportation requirements, please allow additional time for delivery. Oversized Parts are not available for air delivery.
- ** - After the sell price means Oversize Part Charge. Your order will incur a charge of \$50.00 for each oversized part. Due to packing and/or transportation requirements, please allow additional time for delivery. Oversized Parts are not available for air delivery.
- R - After a part number means Remanufactured Part. No core charge.

And one more thing, the part our lawyers make us say: We reserve the right to refuse service or shipment to anyone. We reserve the right to collect a service charge of \$20 for a returned check and to hold any shipments until the fee is collected.

Thank you for your support. Best of luck with all your projects!

What You Need to Know Before Returning:

If only we lived in a perfect world! Unfortunately, we don't, and things can go wrong. When that happens, we do our best to try to make things right again. But we need your help as well.

All returns must be in like new condition and in the original packaging. Please include a copy of your invoice, as that will make the process quick and easy.

We refund your payment the same way you paid. Refunds of less than \$1 will not be made except by customer request.

We can't be responsible for damages, so please package your returned items carefully.

If you can ship the item back to us ground or USPS within the 48 contiguous United States, you don't need to call for authorization. Just send it to us at:

17301 W. 113th St, Lenexa, KS 66219

If we shipped you the wrong item, send it back, and we'll send the right item and reimburse you the ground rate for your return.

We can't accept anything that has been installed (unsuccessful attempts do count), disassembled, drilled, welded, cut, painted, or modified in any way, so please make sure to check and doublecheck the fit before starting any work.

If you are returning a kit, it needs to contain all the parts you received. No partial kits may be returned.

Electronic media (CDs, DVDs) cannot be refunded once they are opened. However, if it is not working properly, it can be exchanged for the same part number.

Please call our customer service line for a return authorization if your part was delivered outside of the 48 contiguous United States.

If you want to return something you bought over a year ago, please call our customer service line for return authorization.

You must call Customer Service when returning a Truck Freight item.

Customer Service Line: (800) 222-5664

¿Habla Español? (855) 456-2288

A 20% non-refundable restocking fee will be added to anything that's over a year old (unless the extended manufacturer warranty is still in effect, of course) as well as to any unauthorized Truck Freight returns.

And the legal part again: We have the right to refuse any return we deem unfit for resale. We also have the right to refuse any shipments where the shipping charges, duties, customs, etc., are not prepaid.

California Prop 65 Warning

WARNING: This product can expose you to chemicals including lead, which is known to the State of California to cause cancer. For more information, go to www.p65warnings.ca.gov.

ADVERTENCIA: Este producto puede exponerlo a sustancias químicas, incluido el níquel reconocido por el estado de California como causante de cáncer. Para obtener más información, visite www.p65warnings.ca.gov.

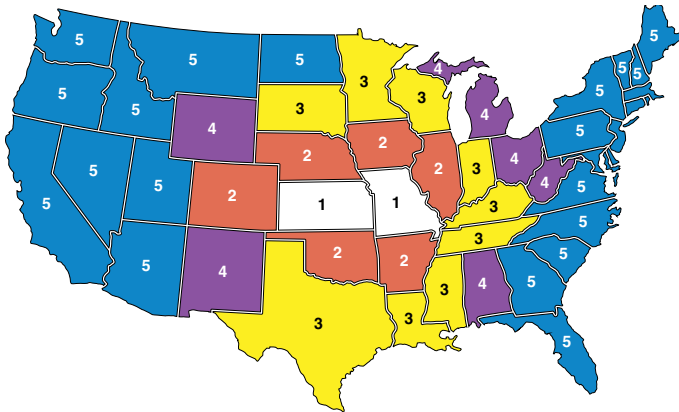

Gift Cards

- Gift Cards are the perfect gift to ensure you are giving exactly what they want!
- Gift Cards don't expire.
- Orders must be pre-paid. Orders received before 3:00 p.m. Central Time will ship same day.
- Gift Cards can now be redeemed through the mail or by phone.

What You Need to Know About Shipping within the 48 Contiguous States

Shipping charges are based on the "Parts Total" on your order.

Order Parts Total	Zone 1	Zone 2	Zone 3	Zone 4	Zone 5

2,500.00 and Up	Free Shipping				

If you are ordering Oversized Parts (indicated with a * Or ** throughout this catalog), or if you are placing an extra large order, please allow for extra packing and delivery time.

In order to qualify for the free shipping, your entire \$2,500+ order must be placed at one time. We may have to split your shipment, but we will pick up the shipping charges.

What You Need to Know About Shipping to APO and FPO Addresses

We are thrilled to be able to ship to those who are serving our country; however, there are some limitations on these shipments. We are unable to ship Truck Freight items to you at this time. All orders will be shipped complete, via Insured Priority Mail through the USPS. Size limitations will apply. Please make sure before you place your order that what you are ordering will be accepted and is deliverable to you in your location.

What You Need to Know About Shipping to Canada

Your orders will be shipped ground "Door to Door," which includes brokerage, duty and tax. Charges will be based on the value of your shipment. Document and preparation fees are included. Please call our customer service line for assistance.

What You Need to Know About Shipping to Alaska, Hawaii and the U.S. Territories

Order Parts Total	Shipping to Alaska, Hawaii & U.S. Territories
Up to \$20.00	\$ 19.95
\$20.01 to 50.00	25.95

This chart shows shipping charges on orders up to \$500. Parts must be 108 inches or less and weigh 70 pounds or less to qualify. If any part does not meet these qualifications, your order will be delivered by ground for additional charges.

All orders will ship complete. Any additional delivery charges will be added to your total as needed, including Oversize Part charges or overweight charges.

We will need a daytime phone number with your order. If there is a problem with your order, we will attempt to contact you three times. If we are unsuccessful, your order will be cancelled 5 days after that third failed attempt.

What You Need to Know When Shipping Problems Occur

Please open your package(s) as soon as possible and make certain that everything is accounted for and nothing was damaged in shipment. Damaged shipments are the responsibility of the carrier and must be reported to the carrier within 15 days of receipt.

If the package looks damaged when it arrives, open it with the delivery person present, so that they can make an immediate report of damages and discrepancies. If the damage is not obvious at the time of delivery, or if the package was left for you by the shipping company, contact their customer service as soon as possible to make your claim.

On Truck Freight shipments, it is your responsibility to check your order and have the driver note any damage on the freight bill before you sign for your item(s).

Please keep all packing, packaging and contents until your claim has been settled with the shipping company.

What You Need to Know About Shipping Internationally

All international orders ship complete. Shipping charges must be prepaid in U.S. funds. Brokerage, duties, taxes, and fees associated with the order are paid by the customer. We do not accept personal checks on international orders.
